RE: Confirmation of the following Repair Development Approval:

Approval of the **Replacement of Heat Shield on the Small Exit Duct – Combustion Chamber** of the **PT6A-15AG, PT6A-112, PT6A-11, PT6A-25, PT6A-25A, PT6A-27, PT6A-121, PT6A-11AG, PT6A-110, PT6A-21, PT6A-28** to the listed part numbers in the attached appendix.

Dear Sirs:

This is to confirm that,

Atech Turbine Components, Inc.

1 St. Mark Street
Auburn , MA
USA, 01501

have demonstrated to our satisfaction that they have the necessary knowledge, skills, facilities and controls to successfully perform the **Replacement of Heat Shield on the Small Exit Duct – Combustion Chamber** on the part numbers listed in appendix 1.

The demonstrated process is defined as **SD-1008C Rev: 01** dated **June 27th 2018** a copy of which has been deposited with Pratt & Whitney Canada Corp., Repair Development Engineering. This copy will be the document of reference in any dispute. Significant changes to, or deviations from, this process are not permitted without the written approval of the Pratt & Whitney Canada Repair Development Manager. Refer to appendix 2 for list of significant changes related to this process.

Atech Turbine Components, Inc.

The intent of process **SD-1008C** will be reflected in the applicable engine OHM Manual. This letter is an authorization to proceed pending issue of the above revision. Use of this authorization is subject to compliance with local airworthiness authority requirements and all certificates issued for a given part repaired with the subject process must reflect the process number. Any subsequent part numbers introduced beyond those indicated in this letter require P&WC's specific approval.

Failure to maintain satisfactory controls and quality, to provide adequate service, or to adhere to the executed Repair Process Agreement, could result in loss of this approval and deletion of the supplier's name from the Overhaul Manuals, CIR Manual or SB as applicable.

Revalidation of this approval will be required after two (2) years of inactivity.

Yours truly,

PRATT & WHITNEY CANADA CORP
